

CONCORDIA UNIVERSITY

WISCONSIN & ANN ARBOR

2.11.2020

The purpose of this document is to form an Articulation Agreement between Concordia University Wisconsin (CUW) and Concordia University in Portland, Oregon (CUP) regarding the EdD programs. The Articulation Agreement would serve the interests of students currently enrolled in the five EdD programs at CUP—Education Administrative Leadership; Professional Leadership, Inquiry, and Transformation; Organizational and Transformational Leadership, Instructional Leadership in Teaching, and Higher Education Leadership Online—who are seeking to transfer and enroll in CUW's Doctorate of Education in Leadership in Innovation and Continuous Improvement (LICI) program.

Due to CUP's closure, which is scheduled for the end of April, 2020, CUW is willing to enter into an agreement with CUP students, beginning May 1st, 2020 through December 31, 2021, for those who want to enroll in the CUW LICI program with the following understanding and conditions:

- Students must meet the application requirements of CUW (an expedited application process will be deployed specially for CUP students).
- Students must complete the sixty credit requirement of the LICI program.
- CUW will waive both four-day residency requirements if students have accumulated over 36 credits in their current EdD program. If students have less than 36 credits, they will be required to participate in a minimum of one residency.
- Students who are close to program completion (45 credits or more) and have had their dissertation proposal accepted will be allowed to retain their current Dissertation Chair/Advisor if they so choose.
- Students will be required to take a short Blackboard and online training module as established by CUW's Office of Distance and Continuing Education (OCDE) department.
- All credits earned in the CUP EdD programs will be eligible for transfer and application to the LICI requirements. Only courses with B grades or better will be accepted.

CONCORDIA UNIVERSITY

WISCONSIN & ANN ARBOR

- CUP Phase I Core Classes will be applied to the Leadership Core and the Innovation and Improvement Science Core of the LICI program:

CUP EdD Course	Applied/Transferred to CUW LICI Course
The Ethical Educator	EDG 9030 Servant and Ethical Leadership
Transformational Learning	EDG 9000 Advanced Leadership Theory and Practice
