Concordia University Wisconsin admits qualified students of any age, sex, race, color, national or ethnic origin, physical or mental conditions, or developmental disability, to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Concordia University Wisconsin does not discriminate on the basis of race, color, national or ethnic origin, age, sex, physical or mental condition, or developmental disability in the administration of its admission policies, education policies, scholarship and loan programs, athletic and extra-curricular programs or other school-administered programs.

Concordia University does not discriminate on the basis of handicap. (c.f. Section 504 of the Rehabilitation Act of 1973).

Concordia University Wisconsin

MISSION STATEMENT

Concordia University Wisconsin is a Lutheran higher education community committed to helping students develop in mind, body, and spirit for service to Christ in the Church and the world.

STUDENT LEARNING OUTCOMES

Concordia's student learning outcomes reflect the knowledge, skills, attitudes, competencies, and habits of mind that our students are expected to acquire. These outcomes highlight student learning at three levels: the overall university level, the department/major level; the core curriculum program level. Concordia's student learning outcomes flow from our mission of helping students develop in mind, body and spirit in service to Christ in the Church and in the World.

UNIVERSITY WIDE OUTCOMES

Concordia University Wisconsin students will apply a biblical understanding of the world that includes truth, vocation, ethical principles, and servant leadership as they:

- demonstrate habits of the mind, body, and spirit that are rooted in an understanding of the liberal arts (Liberal Arts);
- demonstrate the ability to analyze and apply their discipline's theoretical, methodological, ethical, and practical foundations (Disciplinary Thinking); and
- demonstrate a readiness to embrace their opportunities and obligations as citizens in a complex world (Global Citizenship).

Accelerated Learning Centers and Off Campus Offerings

STATEMENT OF PURPOSE

Concordia University's Centers are charged with carrying the mission of the University to the non-traditional adult student. Like the traditional degree programs, the programs offered at our Centers are founded in the Christian Liberal Arts tradition of the University.

However, the program is very much tailored to the needs and unique capabilities of the mature adult learner. For instance, classes are offered at locations near students' homes or work. Classes are offered in an accelerated evening format with most classes meeting once per week with our enhanced online component course design. This designed was developed with adult learning methodology in mind to encourage the most beneficial learning environment. In addition, students can earn credit in a variety of modalities from the traditional classroom setting to college level learning experiences obtained through their career or even hobbies.

The Accelerated Learning Center student and the traditional post high school age student differ in that the former has benefited from years of life experience and then sought the academic education, while the traditional student first receives the education and then the life experience. Thus, the needs of the mature adult learner are different; socialization, for instance, plays a much greater role in the academic life of the traditional student and, indeed, accounts for much of the necessity for extended contact hours. The mature adult learners, on the other hand, are interested in cutting right to the essence of a topic and are capable of processing greater amounts of material over much shorter periods of time.

We are often asked what the difference is between Concordia's programs and those of other accelerated degree programs. We are also asked how we get as much accomplished in a six week schedule as one does in a traditional semester. The programs offered at our Accelerated Learning Centers are not just an accelerated version of a traditional semester, they are more like an instructor facilitated, practitioner based format which includes a number of hours of classroom experience. It is expected and required that the much of the learning will occur outside the classroom through more of a directed independent study.

A hallmark of the mature adult education degree programs is a strong emphasis on the direct applicability of the course material to the students' careers. Our majors accomplish this admirably. In addition, and this is the key difference, our entire program is infused with the liberal arts conveyed in a Lutheran Christian context.

The goal for our mature adult learners is personal development. The University has identified six competencies or areas in which this should occur: aesthetic sensibilities, communication skills, cultural understanding, numeracy, problem solving, physical development, spiritual development, scientific literacy, and citizenship. Growth in these areas occurs throughout the program of study and is measured and documented by the school's comprehensive assessment plan.

Accreditation

Concordia University Wisconsin is accredited by the Higher Learning Commission and is a member of the North Central Association of Colleges and Schools. In addition, the School is accredited by the educational agencies in the states in which it has centers.

Admission Procedures

ACCELERATED PROGRAMS

Programs in Accounting, Business Management, Criminal Justice, Health Care Management, Human Resource Management, Liberal Arts, and Theology

Admission Requirements

1. Submit the online application along with a non-refundable \$50 application fee at www.cuw.edu/apply.
2. Official transcripts from all post-secondary institutions attended must be sent directly to the CUW Center at which you are enrolling. In cases where the student has less than 12 transferable credits, an official high school transcript or proof of GED must also be submitted. Generally students will be required to have a 2.00 GPA.
3. International students should visit www.cuw.edu/international to view additional admission requirements.

Admission Decisions

When an applicant's file is complete, the file is forwarded to the Admission Committee for review. The Admission Committee can make one of four decisions. An official decision letter is sent to the applicant, giving the decision of the Admission Committee.

1. The student is fully admitted to the program.
2. The student is admitted as a conditional student, whose admission and/or continuation in the program is contingent upon meeting certain conditions that are stipulated in the acceptance letter the student receives.
3. The student is admitted as a Special Student Status –Non Degree Seeking. This applies to students who wish to enroll in courses but do not plan to seek a degree. Students enrolled in a certificate program will be admitted as Special Status.
4. The student is denied admission.

MEDICAL ASSISTANT PROGRAM

Applicants must be high school graduates or have earned an HSED or GED.

Admission Requirements

1. Meet with the Program Director for a personal interview.
2. Pass the Wonderlic Scholastic Level Exam with a score of 20 or higher, given three attempts.
3. Provide official GED, high school, or college transcripts.
4. Submit the written application and application fee to the Program Director.
5. Pass a background check.
6. Complete a physical prior to beginning Clinic and Lab classes.

Admission Decisions

The applicant will be sent an official acceptance letter after they have passed the Wonderlic Scholastic Level Exam and the Program Director receives the application, fee, and official transcripts.

1. Anyone who does not pass a background check may be admitted into the program, but must sign a waiver that they are aware that they may not be able to be placed at a practicum site.
2. Students may transfer up to 12 credits into the Medical Assistant program. The official transcripts and course descriptions need to be provided to the Program Director for approval.

RN-BSN COMPLETION PROGRAM

Students must already be a licensed RN to apply to the BSN Completion program.

Admission Requirements

1. Submit the online application along with a non-refundable \$20 background check fee at www.cuw.edu/apply.
2. Provide official transcripts from all post-secondary institutions attended must be sent directly to the CUW Center at which you are enrolling. Students need to have a minimum cumulative GPA of 2.75.
3. Provide copies of current WI nursing license and CPR card.

When an applicant's file is complete, the file is forwarded to the Admission Committee for review. The Admission Committee can make one of three decisions. An official decision letter is sent to the applicant, giving the decision of the Admission Committee.

1. The student is unconditionally admitted to the program.
2. The student is admitted as a conditional student, whose admission and/or continuation in the program is contingent upon meeting certain conditions that are stipulated in the acceptance letter the student receives.
3. The student is denied admission.

GRADUATE PROGRAMS

Admission Requirements

1. Submit the online application along with a non-refundable \$50 application fee at www.cuw.edu/apply.
2. Two letters of recommendation from individuals who can attest to the applicant's ability to pursue graduate work.
3. Official transcripts from all post-secondary institutions attended. Generally students will be required to have a cumulative 3.00 GPA in their undergraduate work.
4. Current résumé including educational and work experience.
5. An essay stating the reasons for choosing to enroll in Concordia's graduate studies and for selecting the particular program.
6. International students should visit www.cuw.edu/international to view additional admission requirements.

*Students should contact the program Admission Counselor for information on where documents should be mailed for graduate programs.

In addition to these general admission requirements, each program may have other requirements. All students enrolling in a graduate degree program must have an earned baccalaureate degree from a regionally accredited institution.

Admission Decisions

When an applicant's file is complete, the file is forwarded to the Graduate Admission Committee for review. The Graduate Admission Committee can make one of three decisions. An official decision letter is sent to the applicant, giving the decision of the Admission Committee.

1. The student is unconditionally admitted to the program.
2. The student is admitted as a conditional student, whose admission and/or continuation in the program is contingent upon meeting certain conditions that are stipulated in the acceptance letter the student receives. If there are conditions to be met prior to admission, the candidate must provide documentation of having met those requirements to the Graduate Admission Counselor.
3. The student is denied admission.

Readmission Policy- Undergraduate and Graduate Programs

Students who wish to resume their studies after an absence of one year or more must submit a new application. Students will re-enter the program under the rules and regulations of the current catalog. A new evaluation form will be completed at that time. Any new course requirements in either the major or the core must be met.

E-Learning

Business Management, Criminal Justice, Health Care Management and the Human Resource Management Degree Programs are offered and may be taken entirely in an E-Learning format.

Degree requirements are met by completing the online course content. The student will work one on one with their instructor, submitting all assignments online. Many exams are taken fully online and other courses may require the exam to be proctored at a test site convenient to the student.

All students that wish to take an online course, or their entire program online, will need to complete an online orientation. This orientation will walk you through the expectations of online learning, how to work in an online environment and test your computer for all the needed programs in order to be successful in this format.

Tuition/Textbooks Tuition for EL courses is the same as on campus courses. Once your registration has been processed, you will receive an email with instructor information, and instructions on how to access your course in ANGEL and how to order your texts online. Registration/Course Guidelines

Once you register for an EL course, you will have four weeks in which to order your textbooks and turn in your first assignment. If the first assignment is not turned in within the first four weeks, a non-refundable \$50 drop/withdrawal fee will be charged to your account and you will be given an administrative withdrawal for the course. Each course is to be completed in 8-10 weeks. You have up to 12 weeks from registration to finish the course. Please note the following timetable:

4 weeks after registration: Must have started class. An administrative withdrawal will be given if there is no record of the first assignment turned in and the \$50 drop/withdrawal fee will be assessed. 12 weeks after registration: A failing grade (F) will be assigned if course is not completed by this time. The student must request an extension from their instructor for special circumstances. Up to 4 weeks more can be granted.

Transfer Credits

Within the Accelerated Learning Center's bachelor's degree programs, a student's grade point average on the Concordia transcript will be based on the credits taken after entering Concordia University Wisconsin. It does not include the GPA for coursework taken prior to entering Concordia. College level courses in which the student earned a "C-" or better will be accepted in transfer from regionally accredited colleges and universities.

STUDENT TRANSCRIPT EVALUATION

Upon receipt of all official transcripts, a "transcript evaluation" of previously earned credits and the courses needed to complete your degree will be provided. This evaluation will show how transfer credits were applied to the core, major, and elective requirements. Students are responsible for checking their official transcript evaluation. This document is the school's statement of what is required to complete your degree. If you have questions about your transcript evaluation, talk to your advisor.

Students should use their transcript evaluation to track progress throughout the program by recording the grade received for each module. By using the evaluation as a tracking tool, you will know when the required credits have been completed.

When you anticipate graduation, contact your advisor to schedule a meeting to review your file and assure that you have met the requirements of your degree. This meeting is the first step in the graduation process.

COURSE WAIVER

In cases where a student has acquired a great deal of knowledge in a subject through work experience, but has never earned credits in the subject, a waiver may be granted. A student may request a waiver by writing a letter to the Dean responsible for the course (Dr. David Borst, School of Business Administration or Dr. Gaylund Stone, School of Arts and Sciences) and providing documentation showing that he/she has knowledge of the material covered in the module.

Be aware that no credit for this subject will be granted – the credits need to be replaced; 48 Concordia University credits must be earned and a total of 64 credits for AA and 128 credits for BA must be earned.

Waivers are limited to the major courses only, and are not available for core courses inside or outside the major. The request for waiver should be submitted well in advance of the course to allow time for approval.

Non-Traditional Approaches to Earning Credit (not applicable for all programs)

Prior approval must be obtained before enrolling in any of the options listed below. All transcripts must be on file at Concordia to ensure there will be no duplication of coursework.

INDEPENDENT STUDY

Independent Study allows students to develop a course of study in a subject area for which there is not already a module or credits on the student's transcript. Through the completion of the proposal, the student will state goals and objectives, materials to be used, and means of assessing the learning. An advisor will be assigned to the study. It is the responsibility of the advisor to supervise the completion of the study and to report to Concordia satisfactory completion of the work, at which time credit will be awarded.

TRAVEL STUDIES

Travel opportunities are available to non-traditional students through CUW's International Studies Department. Travel study participants must contact the sponsor of the trip to obtain the required forms and must complete an Add/Drop form. Credits earned through travel experience may apply to the core or elective areas.

Students may be eligible to receive a grant for global education if they have earned at least 60 undergraduate credits or 21 graduate credits from Concordia University Wisconsin. Applications for this grant must be submitted by the 15 of May, prior to the trip's departure date. See your advisor for the proper forms and look at our website for specific requirements and a listing of available studies. <http://www.cuw.edu/Departments/international/studyabroad.html>

PORTFOLIO ASSESSMENT

Portfolio Assessment experiential learning allows students to document college-level knowledge and competence acquired outside a classroom setting. Portfolio Development Workshops are periodically conducted at each center and an online portfolio workshop is also available. During these sessions the students are guided through the process of determining what constitutes college-level learning, the process of developing each petition for credit, and the means to use for providing documentation. Portfolio credits apply only to the elective area, though 2 of the 21 credits may apply to the physical development core requirement. For an AA degree, a maximum of 7 credits may be applied toward the degree. For a BA degree, a maximum of 21 of the required elective credits may be earned through the portfolio. A per credit fee is charged for portfolio credit requests.

Attendance at a Portfolio Development Workshop or completion of the Online Portfolio Workshop is required. These workshops guide the student through the process of determining what constitutes college level learning, the development of each petition for credit, and the documentation of the learning. Contact your advisor to schedule a Portfolio Development Workshop or to be registered for the Online Portfolio Workshop.

All official transcripts should be on file prior to submitting a portfolio to avoid duplication of credits. Students should submit portfolios by the first of each month to be reviewed by the Portfolio Committee. Portfolio petitions should be submitted for only the number of credits needed and should be for all credits the student seeks to have granted. The evaluation fee per credit, \$50, must be submitted with the portfolio.

Students will be notified by mail of the committee's decision. Credits denied may be resubmitted for reconsideration in certain cases. In the case of a new credit petition, the charge is \$50; in the case of a revision, there is no charge. Portfolio credits should be submitted at least three months prior to the anticipated graduation date.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP) AND DEFENSE ACTIVITY FOR NON-TRADITIONAL EDUCATION SUPPORT (DANTES)

These programs serve students who want recognition for college level achievement acquired outside the conventional classroom. Students must complete a Transfer Request Form so that the individual record can be checked to be sure that the proposed credits will be accepted. Students will need to allow at least two weeks for these requests to be processed. To receive credit for either CLEP or DANTES tests students may not have credit for similar coursework on their transcripts. CLEP and DANTES credits are not accepted for Core credit, except in the areas of Physical Development and Mathematics.

AMERICAN COUNCIL ON EDUCATION (ACE) AND NATIONAL PROGRAM ON NON-COLLEGIATE SPONSORED INSTRUCTION (PONSI)

ACE and PONSI are organizations which validate for-credit coursework completed through non-collegiate education and training programs. The student must have official copies of the educational transcripts sent to Concordia.

LIFE OFFICE MANAGEMENT ASSOCIATION (LOMA) AND AMERICAN INSTITUTE OF BANKING (AIB)

LOMA and AIB provide means to receive college credit for company training professional development programs through an employer. The student must have official copies of the educational transcripts sent to Concordia.

MILITARY CREDITS

Military Credits are granted based on the evaluation of an official AARTS or SMART transcript, or for military service prior to 1981, DD 214 documentation.

Academic Requirements

Students must maintain at least a 2.0 GPA (CUW grades only) to be considered in good academic standing and to graduate. If a student's GPA falls below 2.0 at the end of a term, s/he is placed on academic probation. After two consecutive terms below 2.0, a student may be removed from the program.

An academic dismissal may be appealed to the Center Director who will collaborate with CUW's Chief Academic Officer or designee and the appropriate Dean to determine the merit of the appeal. Dismissed students must wait at least six months before reapplying to the University; during which time they should address their deficiency and then be able to demonstrate that the deficiency has been removed (testing, a life change, course work at another university, etc.) in their application.

GRADING

The following grade point system is used in connection with these grades:

A — equals 4.00 points	B— — equals 2.67 points	D+ — equals 1.33 points
A- — equals 3.67 points	C+ — equals 2.33 points	D — equals 1.00 points
B+ — equals 3.33 points	C — equals 2.00 points	D- — equals .67 points
B — equals 3.00 points	C- — equals 1.67 points	F — equals 0.00 points

A candidate who achieves a cumulative grade point average of 3.90 or better will be graduated Summa Cum Laude; one who achieves a cumulative grade point average of 3.80 or better will be graduated Magna Cum Laude; and one who achieves a cumulative grade point average of 3.60 or better will be graduated Cum Laude.

INCOMPLETES

It is expected that the required work be handed in the day it is due. Occasionally an emergency or extenuating circumstance may prevent a student from completing the assigned work.

If all the requested material has not been handed in by the final session, the student may, at the discretion of the instructor, request to receive an "I" for the module. The instructor, through the use of a Grade Change/Incomplete Report, will inform the student of the work that needs to be completed and the due date. The due date can be no later than three weeks after the last module session date.

If the "I" has not been satisfied by the due date, the student will receive a grade for the course based on what they had previously submitted with "zero" points for all missing work of the module. This grade will remain on the transcript, though a student repeating the module who receives a higher grade will have that grade computed into the GPA.

ACADEMIC GRIEVANCE PROCEDURE

"If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church." Matthew 18:15-17

Students, faculty, and administrators share the vision of creating a just environment which fosters maximum growth and development of the student. How to attain that goal may require dialogue when no clear guidelines or policies apply. Grievances will be handled so as to respect each of the parties' viewpoints and involve the participants as directly as possible in the solution. Following Matthew 18, first, discuss the matter directly with the person involved. If the parties cannot work out an agreement, they may decide to bring it to the Center Director. Below are the steps to be taken in resolving a grievance (as stated in the Faculty Handbook section 5.060 General Academic Grievances).

1. The student meets with the instructor to resolve the matter informally.
2. If not satisfied with the outcome, the student may file a written grievance with the Center Director within 10 working days after meeting directly with the instructor. Upon receipt of the student's written grievance the Center Director will notify the instructor, who will then have 10 working days to submit a written explanation of the incident. Within 5 working days of receiving the instructor's written explanation the Center Director will send a written response to the student and instructor.

3. If the student is still not satisfied, s/he may file a written complaint with the appropriate Dean within 10 working days of receiving the step two report. The Dean will render a decision and send a written response to the student, the instructor, and the Center Director within 10 working days of receiving the grievance.
4. Finally, the student may appeal a step three decision in writing to the Academic Grievance Committee (AGC) who will meet with the student within 10 working days of receiving the grievance and render an immediate decision. The AGC will submit a written report of their decision to the Academic Office, the appropriate Dean, the Center Director, the instructor, and the student.

ABSENCES AND TARDINESS

Because courses in the program are only six weeks in length, **it is strongly encouraged that students attend each session.** Students are expected to attend all class periods of the courses for which they are registered. Absence from a course may result in a lower grade, depending on the professor's grading policy. The determination of what constitutes excessive absence in any course rests with the instructor conducting that course. If emergency circumstances dictate missing a session, please notify the Center and the instructor. If a student knows that absence is inevitable (proposed surgery, long planned vacation, etc.) it is better to discuss with your instructor what your best options would be regarding successful completion of the course.

DROPPING A CLASS

Students who withdraw before the first class session, but within 48 hours before the class, will be assessed a \$50 drop fee plus a charge for books not returned in good condition. Students who withdraw after the first week of class but before the second week will be charged 25% of the class tuition. If a student drops a module after the second session, he or she will receive a "F" or a "W/F." There will be no refund for those withdrawing after the second class session.

WITHDRAWAL FROM THE PROGRAM

If a student finds it necessary to withdraw completely from the program, he/she should inform the Center Director in writing, carefully explaining the circumstances surrounding the decision to withdraw. The Business and Financial Aid Offices will then make adjustments to the account and financial aid package.

If the student has not been enrolled in courses for twelve months or more, **he/she will re-enter under the policies and academic requirements in effect at that time.**

E-LEARNING REFUND POLICY

If a student wishes to withdraw from a class after the first assignment has been completed but before the second assignment is turned in, there will be a 50% refund of tuition. If the student wishes to withdraw from a class any time after the second assignment is turned in, there will be no refund of tuition.

GRADUATION

The policies and procedures for graduation at CUW are as follows:

1. Students receiving a degree from Concordia University must have completed the required credits prior to participating in graduation.
2. The Commencement Exercise is a part of the total academic experience and students are encouraged to participate. Students in off-campus centers are encouraged to participate in the exercises on the main campus in Mequon, held in December and May. The St. Louis center holds its own graduation ceremonies.
3. All graduates pay the graduation fee of \$50.00 regardless of participation in the graduation exercise.
4. The diploma will be issued after all fees are paid and the exit essay is completed.
5. The following steps must be taken prior to graduation to assure that your name will appear in the graduation program.
 - At the beginning of the term in which you hope to graduate, notify your advisor. If you are eligible for graduation in that term, you will receive further information.
 - All official transcripts for transfer credits, CLEP/DANTES test scores and Independent Study grades must be received at the Concordia University Wisconsin's main Campus in Mequon, Wisconsin.

- Once you have completed all courses, submit a completed “Request to Graduate” form with the graduation fee. Return it to your center. These forms must be completed even if you do not plan to participate in the graduation exercise.

Exit Essay: When you complete the program at Concordia, you will be required to write an essay in which you evaluate the entire time you spent learning, in and outside of the classroom, while attending our adult accelerated program. We will ask you to describe specific changes in your knowledge, skills, and attitudes that occurred in your program’s competency areas. To reflect on your planned and unplanned learning, we suggest you keep a diary or “learning journal” to track major changes and benchmarks you experience during your educational journey. Being conscious of what one knows is an important part of gaining knowledge.

CAREER SERVICES

Career Services provides assistance to all students and alumni by offering various resources and tools to help them accomplish their career goals. Available resources include resume and cover letter assistance, job search and salary negotiation strategies, career counseling, and an on-line job board. Career Services has adapted its services to meet the needs of off-campus students and now offers an e-critique resume option, Skype appointments and on-line tools. See the additional handout or visit the Career Services website at www.cuw.edu/careers to view a complete list of resources and services available.

Financial Aid

STUDENT FINANCIAL RESPONSIBILITIES

Tuition is due for payment on or before the first night of class. The responsibility for making these payments rests with the student, not the Center, the Office of Financial Aid or the Business Office.

Each month, a statement will be e-mailed to the student documenting payments in the account and payments due. Regardless of whether or not a statement is received, tuition is due on or before the first night of each course. Checks may be mailed to the Business Office, delivered to the Cashier’s Office, or turned in to the Center. Checks should include the student’s identification number (F00 number) to ensure proper credit. Students can view their account on the CUW Portal (click on ‘Student Services’ tab, ‘My Statement’) and pay bills online.

Students anticipating to receive grants or loans must have completed the FAFSA application for these loans with the Financial Aid Office to begin class.

Financial aid takes approximately 4-6 weeks to process from when a student has registered for at least 6 credits and has submitted all necessary paperwork to the Financial Aid Office. Financial aid is awarded based on grade level and the number of credits a student registers for each term. At Concordia University, a student is considered full-time if he/she attends and is enrolled in 12 credits per term (Fall: July 1st - December 31st; Spring: January 1st- June 30th). Students who take less than 12 credits per term may be eligible for financial aid. Students receiving financial aid must be enrolled and have turned in one or more assignments in at least 6 credits each term to qualify for halftime status.

All questions regarding eligibility should be directed to the Financial Aid Office.

Grade level is based on the below completed credits:

Freshmen	0-29 credits
Sophomore	30-59 credits
Junior	60-89 credits
Senior	90+ credits

A student’s financial aid eligibility may change if a student changes their schedule after the term has begun by adding or dropping courses. It is highly recommended students meet with their academic advisor prior to registering for courses to avoid any schedule changes during the term. If a student fails to meet academic standards (maintain a 2.0 or better cumulative GPA), he/she will become ineligible for financial aid.

Concordia University offers Federal Title IV funding in the form of Federal grants and Federal Subsidized and Unsubsidized Loans. To apply for financial aid, students must complete the “Free Application for Federal Student Aid” (www.fafsa.ed.gov) each academic year.

FEDERAL PELL GRANT – This federal grant is awarded to undergraduate students on the basis of financial need and is prorated per class enrollment. The maximum amount of this grant per year is \$5,550.

FEDERAL DIRECT SUBSIDIZED LOAN – This federal loan may be offered up to \$5,500 per year depending on financial need and grade level. A Subsidized Loan does not accrue interest until repayment which begins 6 months after separation from the University or when a student is enrolled less than half-time (6 credits per term). The interest rate for the 2012-2013 academic year is at a fixed rate of 6.8%.

FEDERAL DIRECT UNSUBSIDIZED LOAN – This federal loan is an additional loan for educational expenses of up to \$7,000 per year depending on eligibility and grade level. Interest with a fixed rate of 6.8% begins when the loan is disbursed. Payments may be deferred while the student is enrolled at least half-time but interest does accrue during this time. Repayment with interest begins 6 months after separation from the University or when enrollment drops to less than half-time (6 credits per term).

Eligibility for Financial Assistance for the 2012-13 academic year:

A student is considered independent for financial aid eligibility if any one of the following questions can be answered “yes”:

1. Were you born before January 1, 1989?
2. As of today, are you married? (Also answer “yes if you are separated but not divorced.)
3. At the beginning of the 2012-13 school year, will you be working on a master’s or doctorate program (such as MA, MBA, MD, JD, PhD, EdD, graduate certificate, etc)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2012 and June 30, 2013?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2013?
8. At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
9. Are you or were you an emancipated minor as determined by a court in your state of legal residence?
10. Are you or were you in legal guardianship as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2011 did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?

VETERANS BENEFITS – Veteran students can check on their eligibility for benefits by calling the Veterans Affairs Office in St. Louis at 888-442-4551. Students may research useful information concerning veteran benefits on the Concordia University website at www.cuw.edu/Departments/veterans. Students attending campuses outside of Wisconsin should contact their Center Directors for more information. All other students may contact Barb Ellmaker, VA Certifying Official. Barb Ellmaker is located at the Mequon Center and can be reached at 262-243-4350.

EMPLOYEE REIMBURSEMENT – Many employers offer tuition reimbursement for students advancing their education. Students using Employer Reimbursement must have either the payment for each class or have financial aid in place on the start day of the class.

Student Academic Support Services

ACADEMIC SKILLS DEVELOPMENT

The Academic Skills Development program offers assistance with developing proficiencies vital to a successful college career, such as time management, note-taking, reading comprehension, test-taking, and using and citing sources in research papers. Students able to travel to the Mequon campus should contact the LRC about attending the face-to-face workshops offered every semester. Students who are off-site and unable to travel to the Mequon campus should contact the LRC about online workshops and other academic skill resources.

LEARNING RESOURCE CENTER

The Learning Resource Center (LRC) offers both on-campus and online academic support for accelerated learning students. Students can access Smarthinking online tutoring and Concordia's Online Writing Lab (OWL). Contact the Learning Resource Center at 262-243-2623.

SMARTHINKING

Smarthinking online tutoring is staffed by trained online instructors who can tutor students in the general undergraduate subject areas of Mathematics (Algebra, Geometry, Trigonometry, and Calculus), Science (General and Organic Chemistry, Physics, Biology, and Anatomy & Physiology), Business (Intro to Accounting, Economics, Statistics, and Finance), and Spanish. Please visit www.smarthinking.com to view the disciplines for which Smarthinking offers academic support.

Students may access the following Smarthinking tutoring options:

- Real-time chat with online instructors who specialize in select disciplines
- Pre-arranged chat appointments offered for a variety of subject areas
- Submission of coursework-related questions to Smarthinking online instructors
- Access to an electronic library of academic resources

Students who wish to register for Smarthinking should contact Emily Blanchard by email at emily.blanchard@cuw.edu.

ONLINE WRITING LAB (OWL)

The OWL is maintained by trained Writing Center staff, and writing consultants offer constructive comments about students projects. The OWL staff reviews essays and focuses on higher order writing concerns such as argumentation, organization, evidence usage, and flow. Consultants also can assist with citation and grammar, but the OWL staff strives to give students holistic feedback on assignments beyond simply proofreading drafts. To submit an essay to the OWL, visit the Writing Center channel on the Portal (my.cuw.edu). The Writing Center channel is found under the Student Services tab. A link at the bottom of the channel will direct you to the OWL main page.

TUTORS

Each Center has tutors for writing, mathematics, finance, and accounting. Off campus students should contact the Center Director to request tutoring. Mequon students should contact the Learning Resource Center.

ATOMIC LEARNING - COMPUTER PROGRAM TUTORIALS

Commonly used computer program tutorials are available under the Atomic Learning channel of the Resources tab of the CUW Portal. Atomic Learning provides web-based software training for more than 100 applications students and educators use every day. Short tutorials answer the common questions people have when learning popular software packages. Atomic Learning provides thousands of short, easy-to-understand tutorial movies and resources.

LIBRARY USE

All students are welcome to use the Rincker Memorial Library in person as well as the other libraries in the SWITCH library consortium. All students, regardless of which center they attend, can access all the online resources from home, work, or center computers. See "Library Resources & Services."

All students have access to the Rincker Memorial Library using their Falcon One card and are encouraged to call the CUW library for help with searches, in addition to using local libraries for other work. Each center maintains a list of local cooperating libraries in their respective cities.

Student Support Services

The university provides a variety of services for students which include: Chaplain services, tutoring, career and counseling/testing. Tutorial and chaplain services are available to all students, free of charge, at all centers.

CHAPLAIN SERVICES

Each Center has spiritual guidance, advice, and support available to the student and his/her family at no cost. The Mequon Center has the services of the resident campus pastor, and all other Centers have designated Chaplains. The Center chaplain is an ordained Lutheran (LCMS) pastor who is available to all students for confidential spiritual guidance and support. He is available by appointment for spiritual guidance, comfort, and/or counseling on an individual basis for the student and members of the student's family. His service is free and confidential. He does not report to the director, staff, or faculty. Please contact your local center for his name, phone number and email address.

DISABILITY SUPPORT SERVICES (DSS)

DSS is committed to making the University academically accessible to students with disabilities. DSS assists students with obtaining and implementing reasonable accommodations in accordance with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and relevant regulations and case law. Students should contact DSS immediately upon enrolling (262-243-4299) for further information about securing accommodations.

Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990 prohibit discrimination against individuals with disabilities. If you are a student with a documented disability and need accommodations for any course, please provide the instructor with the appropriate letter for that course from The Coordinator of the Learning Resource Center at the Mequon campus. Contact the Coordinator by calling 262 243 2623.

Additional Accelerated Learning Center Information

NAME/PHONE/ADDRESS CHANGES

Students frequently have name, phone number and address changes. Please notify your center of such changes as soon as they occur to enable the university offices to contact you about matters in your best interest.

CUW E-MAIL ACCOUNT & PORTAL ACCESS

As a student at Concordia University Wisconsin, there are some important web systems you will need to access. The my.cuw.edu portal provides a secure, single sign-on to CUW's online information systems. The Portal allows students to check email, pay account balances, register for classes, look up grades, do research, and much more, all in one convenient location. Students are encouraged to check their CUW email regularly as it is the primary account used by staff and other students.

Students need a user name and password to start using the my.cuw.edu Portal. Students can visit <https://student2.cuw.edu/passwords> to set their password. Then go to: <http://my.cuw.edu>. Your student ID # (F00) will be your user name. If you have problems or questions, contact the Information Technology Help Desk at ithelpdesk@cuw.edu or (262)243-HELP (4357).

FALCON ONE CARD (LIBRARY CARD)

Students on the Mequon Campus obtain their picture ID card (Falcon One Card) in the Library during regular office hours and on evenings and weekends when a Reference Librarian is available. Please check librarian availability on the library portal page or call 262-243-4330 prior to coming in to have your ID made. All other students will be issued cards without pictures, through your center.

Your Falcon Card contains a barcode 450... (located on the back of the card) for accessing the library catalog or the reference databases to which Concordia subscribes. The first time you log into the website to access your TOPCAT account you will be prompted to create a PIN number (PIN must be a minimum of four characters). This is to ensure your account information is private and secure. For instructions on how to set up a PIN, please see the following site: http://topcat.switchinc.org/screens/help_pin.html#howlog. If necessary, a replacement card can be obtained for \$25.00.

The library website is available at <http://www.cuw.edu/Departments/library/index.html> or through the CUW Portal.

ABOUT INSTRUCTORS

Instructors teaching at the Accelerated Learning Centers have work experience in the area of their competency and a minimum of a Master's degree. They meet Concordia's expectations for instruction in an accelerated learning environment. Some instructors are employed full-time at Concordia while others are employed full-time either at other academic institutions or in the business world. Part-time faculty is hired to teach at Concordia because of the competency they bring to the classroom. The author of the module is not necessarily the instructor who is teaching the class. Concordia reserves the right to schedule any of its qualified instructors for a given module.

Concordia is committed to providing academic excellence for students in attending programs at the Accelerated Learning Centers. Each module and instructor is evaluated by the students. The Center Directors and the Executive Director/Dean review these evaluations. Instructors submit a comment sheet each time they teach to provide their feedback on the materials used.

Instructors who, on a regular basis, do not meet student/director expectations are not allowed to continue to teach in the program. Periodically, the Center Directors and the Executive Director/Dean review the quality of teaching in the classroom and meet with instructors to develop more effective learning environments.

CLASS CANCELLATION

Weather conditions can develop making it necessary to cancel class for the evening. The decision to cancel class will be made no later than 3:00 p.m. and a notice posted on the Portal, Accelerated Learning Centers tab. If there is a question about whether or not classes will be held, please call your center.

TEXTBOOK LOAN PROGRAM

Concordia provides textbooks to students of some Accelerated Learning Center programs through a book loan program (**Exclusions apply - see note below). Please take care of your textbooks and keep them in good condition. You may highlight in them as you study but please do not write in them. The Office of Continuing and Distance Education provides the information on how the students order those books after they register. Accelerated Learning Center textbook loan program course textbooks must be picked up at your center before the class begins to allow for completion of homework due the first night. Textbooks must be checked out in person. If you plan to have someone else pick up your books for you, someone in the center office must be notified in advance. Loaned textbooks should be returned to your center within two weeks of course completion. If, after two weeks, books are not returned in usable condition, your account will be billed the cost of replacement.

**Textbooks are NOT provided for the following programs offered at Concordia's Accelerated Learning Centers: semester based undergraduate Accounting courses, undergraduate Nursing courses, the Teacher Certification program, the Medical Assistant certificate program and all master's level courses.

CELL PHONES & OTHER ELECTRONIC DEVICES

Cellular phones and other electronic communication devices should be turned off or silenced when entering a classroom. If you need to exit the classroom to respond to an emergency call, please do so with a minimum of disturbance.

ETHICS/DISCIPLINE

Out of respect for academic excellence and moral responsibility, each student is expected to employ the highest ethical standards in taking tests, writing papers and projects, and using material from the library. Should a student violate the ethics code by plagiarism, cheating or theft, he/she will be subject to penalties up to and including dismissal from the program.

CUW ACADEMIC INTEGRITY POLICY

CUW expects all students to display honest, ethical behavior at all times and under all circumstances. Academic dishonesty is defined as follows:

- Cheating: includes, but is not limited to:
 - a) the use of unauthorized assistance in taking any type of test or completing any type of classroom assignment;
 - b) assisting another student in cheating on a test or class assignment, including impersonation of another student.
- Plagiarism: includes, but is not limited to:
 - a) failure to give full and clear acknowledgement of the source of any idea that is not your own;
 - b) handing in the same assignment for two different courses without the consent of the instructors.

- Fabrication: the forgery, alteration, or misuse of any University academic document, record, or instrument of identification.
- Academic Misconduct: intentionally or recklessly interfering with teaching, research, and/or other academic functions.

For more information on academic integrity, please see the Academic Policies section of the Student Handbook, which can be accessed at the following link: <https://www.cuw.edu/Departments/residencelife/assets/studentconductcode.pdf>

HONOR PLEDGE

Students taking courses from the School of Business and Management are asked to inscribe the Honor Pledge at the end of each assignment submitted (or on the cover page), using handwriting when possible. This pledge reminds students of their commitment to academic integrity.

“As I develop in mind, body, and spirit, I pledge on my honor that I have not given, received, witnessed, nor have knowledge of unauthorized aid on this or any [assignment, quiz, paper, test]” [Signature of Student]

School Safety

JEANNE CLERY CAMPUS SAFETY AND CAMPUS CRIME REPORT

The safety of all members of our campus community is a high priority at Concordia University Wisconsin. Become an informed member of our campus community to protect yourself and welcome visitors.

A copy of Concordia University’s annual campus security report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off campus-building or property owned or controlled by the University; and on public property within, or immediately adjacent to and accessible from the campus. This report also includes institutional policies concerning campus security/safety, such as alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.

You may obtain a copy of this report through the Concordia University portal on the Resources tab, Campus Safety channel. If you have further questions, you can contact Mario Valdez, head of Campus Safety at (262)243 4344 or Concordia University of Wisconsin, Campus Safety Office, 12800 North Lake Shore Drive Mequon, Wisconsin 53097.

WEAPONS PROHIBITED

All persons are prohibited from possessing or carrying a firearm, ammunition or weapons of any kind, as determined in CUW’s sole discretion, regardless of whether the person has a permit to carry a firearm. Any employee, faculty, student or other representative of the University who violates this policy shall be notified of the violation and subject to disciplinary action, up to and including termination or expulsion.

Legal Notices

THE FAMILY EDUCATION RIGHTS AND PRIVACY ACT

Consistent with the Family Educational Rights and Privacy Act (FERPA) or 1974, as amended by S. J. Res 40 (12-30-74), the following statement represents the position of Concordia University Wisconsin with respect to the confidentiality of student records.

The Act assures students “the right to inspect any and all official records, files, and data directly related...” to themselves, and assures the student an opportunity for debate or correction of inaccurate, misleading, or otherwise inappropriate data in the student’s file.

The Act provides that no party may review a student’s record with the exception of the following, who do not need written consent of the student to view a record: other school officials, officials of other schools or systems in which the student intends to enroll, authorized representatives of (1) the Comptroller General of the U.S., (2) the Secretary

of H.E.W., (3) administrative head of an education agency and (4) state educational authorities. Persons working in connection with a student's application for, or receipt of, financial aid. Any other than those listed above can obtain access to a student's file only upon written release from the student. This record will be available for inspection only by the student. The following procedure has been established for CUW students.

A written request, signed by the student shall be presented to the Registrar or appropriate office. The Registrar, or other appropriate office will arrange a time and date, within 45 days after receipt of the request, for the student to review the record.

The following types of information are considered directory information and may be included in publications or disclosed upon request without consent of the student, but only after public notice of these categories of information has been given in order to allow sufficient time for the student to inform the institution that any and all of this information should not be released without prior consent; such requests can be made in writing to the Registrar's Office:

- student's name
- address including e-mail
- telephone number
- dates of attendance
- photo
- class standing and class schedules
- previous institution(s) attended
- major field of study
- awards
- honors (including Dean's List)
- degree(s) conferred (including date)
- past and present participation in official recorded sports activities
- physical factors (height, weight of athletes)
- date and place of birth

The Act provides the student the right to file with the U.S. Department of Education a complaint concerning alleged failures by the education institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office - U.S. Department of Education
600 Independence Avenue, SW - Washington, DC 20202-4605

CERTIFICATE PROGRAM

Major: Medical Assistant

Concordia University Wisconsin's Nationally Accredited Medical Assistant Program will train you for an exciting career in the healthcare field. Certified Medical Assistants are in high demand. The Medical Assistant profession is one of the fastest growing occupations in the country today. If you enjoy working with people, and are interested in healthcare, the CUW Medical Assistant Program is a great place to start!

There are three skill areas of training: Clinical Procedures, Laboratory Procedures, and Administrative Procedures. There are several other medical related courses and a liberal arts component, which will enhance your education. There are 45 credits in the CUW Medical Assistant program. There is a five week practicum experience where the student works full-time in a Medical Office. Successful completion of the practicum experience is required for graduation from the program.

The CUW Medical Assistant program incorporates Christian Values and Ethics that are important in the healthcare field.

Graduates of the CUW Medical Assistant program are eligible to take the American Association of Medical Assistants National Certification Exam to become Certified Medical Assistants.

The CUW Medical Assistant program is a Certificate program and has a daytime class track and also an evening class track. The evening classes, at our Mequon campus, begin each January and run through the following January. The daytime classes, at our Miller Park Way Center, begin each August and run through the following September. Both programs can be completed in 13 months.

Course work includes:

- Laboratory Procedures I & II
- Clinical Procedures I & II
- Administrative Procedures I & II
- Anatomy and Physiology I & II
- Pharmacology
- Medical Law and Ethics
- Interpersonal Communication
- Psychology
- CPR
- Practicum
- The Bible as Literature

Upon successful completion of the Medical Assistant Program, you are awarded 45 semester hours of college credit.

MEDICAL ASSISTANT CERTIFICATE COURSE DESCRIPTIONS

MA 100 INTERPERSONAL COMMUNICATION

presents an overview of interpersonal communication and analyzes personal communication interactions. Exercises are designed to improve the student's ability to initiate, recognize, and respond to verbal, nonverbal, and written communication. This course will help students to recognize communication barriers and identify techniques for overcoming them. 3 credits.

MA 110 PSYCHOLOGY

is an introductory course acquainting the student with the procedures, principles, theories and vocabulary of psychology as a science. It includes basic principles, developmental stages of the life cycle, and mental health. Also covered are the effects of heredity, environment, and culture on development. 3 credits.

MA 130 CARDIOPULMONARY RESUSCITATION

provides instruction in the American Heart Association training for Healthcare Providers. Covers rescue breathing, cardiopulmonary resuscitation, use of an AED, and how to care for choking victims. Techniques for caring for infants, children and adults are covered. 1 credit.

MA 140 MEDICAL LAW AND ETHICS

presents legal guidelines and requirements for health care, personal attributes, job readiness, workplace dynamics, and allied health professions and credentialing. It identifies the roles and functions of personnel within the medical office practice setting. Medical ethics and bioethics are discussed as well as risk management issues as they relate to the practice of medical assisting. Students will learn to identify and respond to issues of confidentiality, perform within legal and ethical boundaries, establish and maintain the medical record, and document appropriately. 2 credits.

MA 150 PHARMACOLOGY

provides students with an introduction to pharmacology. It covers all categories of drugs, their generic equivalents, and their actions, as well as the body systems affected by them. The course includes dosage calculation, adverse reactions, contraindications, precautions, interactions, administration, and patient management. 3 credits.

MA 210 ADMINISTRATIVE PROCEDURES I

introduces basic medical office functions. The student will learn how to utilize computer software for scheduling, maintaining records, and preparing professional communications. It includes setting up a medical record, telephone techniques, medical records management, and written communication. 3 credits.

MA 220 ADMINISTRATIVE PROCEDURES II

continues information related to the medical office. This course covers ICD-9 and CPT coding, insurance plan information, and managing practice finances. It includes job interviewing techniques and resume preparation. Prerequisite: Administrative Procedures I 3 credits.

MA 230 ANATOMY AND PHYSIOLOGY I

teaches the basic structure of medical terms and how to build words from word parts. This course also includes applications of medical terminology, pronunciation and definitions. It covers the anatomy and physiology of body systems including the digestive, urinary, and musculoskeletal. It presents common pathology and diseases of each body system along with diagnostic and treatment modalities. 3 credits.

MA 240 ANATOMY AND PHYSIOLOGY II

covers body systems including respiratory, cardiovascular, blood and lymphatic, integumentary, endocrine and sense organs. It integrates the medical terms with each body system. It also includes pathology and diseases of each system along with diagnostic and treatment modalities. Prerequisite: Anatomy and Physiology I. 3 credits.

MA 250 LABORATORY PROCEDURES I

covers the collection and preparation of laboratory specimens. It includes information about the laboratory setting, including CLIA. Routine laboratory testing in the areas of hematology and blood chemistry will be performed on specimens collected in class by the venipuncture or skin puncture methods. 3 credits.

MA 260 LABORATORY PROCEDURES II

students will learn the importance of quality control, and proper collection techniques. Male and female reproductive health is covered, along with colon procedures. Routine laboratory testing in the areas of urinalysis, pregnancy testing, fecal occult blood, microbiology, and serology will be performed on collected specimens. Prerequisite: Laboratory Procedures I. 3 credits.

MA 270 CLINICAL PROCEDURES I

presents information about medical asepsis and infection control, sterilizing and sanitizing equipment, and obtaining and recording vital signs. Students learn proper patient preparation for, and how to and assist the physician with, different types of examinations. There is also a section that deals with cardiopulmonary procedures and electrocardiography, as well as information on radiology and diagnostic imaging. Students demonstrate their ability to perform skills through competency testing. Theory is presented in conjunction with planned student activities. 3 credits.

MA 280 CLINICAL PROCEDURES II

instructs students in administration of medication, assisting with minor office surgery, performing eye and ear assessments, the use of physical agents to promote tissue healing, and emergency medical procedures. Students demonstrate their ability to perform skills through competency testing. Theory is provided in conjunction with planned student activities. Prerequisite: Clinical Procedures I. 3 credits.

MA 300 MEDICAL ASSISTANT PRACTICUM

provides the student with an opportunity to demonstrate application of learned concepts, principles, and procedures required to assist the physician in daily office activities within a supervised ambulatory health care setting. Each student must complete at least 200 hours. 6 credits.

Major: Accounting

The Accounting major provides Accelerated Learning Center students with the opportunity to take accounting courses in the full-length semester format along with accelerated courses in other areas of the major to complete an undergraduate degree in Accounting. Those who want to sit for the CPA exam would continue with three additional semester length undergraduate courses (ACCT360, ACCT441, and ACCT432) and graduate courses and credits toward an MBA to meet the 150 credit hour CPA requirement.

The undergraduate program leading to a 128 credit B.S. in Accounting consists of the 81 credit major sequence which includes 27 credits of semester length accounting courses and 54 credits of accelerated courses including five courses (15 credits) that also count toward the core, 32 additional credits in the core, and 15 elective credits. Semester long classes meet 2.5 hours one night per week. There is no associate degree option for this major.

Student learning goals for the Accounting major include the ability to:

- Create and analyze financial statements prepared in accord with Generally Accepted Accounting Principles (GAAP) and perform basic managerial accounting analyses.
- Understand and correctly use, at an entry-level of business, the basic terms and concepts of the marketing profession, as applied in actual marketing activities.
- Understand and apply basic financial management techniques in order to make sound quantitative/systematic business decisions.
- Evaluate business situations and recommend effective managerial action.
- Demonstrate an understanding of the legal and social environment of business.
- Demonstrate an understanding of the economic environment of business.
- Demonstrate sound quantitative analytical reasoning
- Demonstrate an understanding of MIS appropriate to entry level business positions.
- Demonstrate an understanding of the ethical responsibilities of businesses and businesspersons from a Christian perspective.

Major: Health Care Management

Health Care Management program addresses supervisory skills essential to fields of management and administration throughout the acute, community and long term systems of care. These skills are integrated with concepts and themes from a variety of disciplines working collaboratively to understand, make decisions, and direct change within the health care setting. Opportunities to enhance personal growth and promote professional development are encouraged to help build the foundation for continued growth.

The Health Care Management Bachelor's Degree program is a State of Wisconsin approved "regular course of study," qualifying the graduate to take the Nursing Home Administrator examination. Students graduating with the Bachelors Degree in Health Care Management in states other than Wisconsin may be required to take additional classes and/or participate in an externship in order to qualify for the examination.

The goals of the Health Care Management program are to:

- Analyze health care demonstrating acceptance of individuals as holistic beings,
- Created by God, respecting the dignity, worth, and rights of the individual;
- Synthesize knowledge from the sciences, humanities, and management theories as a basis for problem-solving and decision-making in health care;
- Evaluate research results applicable to health care practice;
- Demonstrate a willingness to work cohesively and communicate interpersonally with members of the interdisciplinary health care team;
- Create a reflective self-plan for personal and professional growth;
- Recognize current trends and issues relative to health care management;
- Respect diversity within the health care community for both those who are served and the providers of care.
- Demonstrate effective communication, in writing and presentations.

Major: Liberal Arts

The Liberal Arts curriculum provides core credits and electives for all career-field majors, or it stands by itself as a major or minor. The major sequence consists of integrated studies of mankind and civilization. The courses combine the history, literature, world view, great works, and major figures of each culture studied.

The goals of Liberal Arts are depth, breadth, creative thinking, and leadership development in all the disciplines and areas of the competencies. These are transferable skills that prepare the student for change and never go out of date.

Liberal Arts modules foster student development in each of the six university-wide core outcomes that comprise the CUW curriculum. In addition, the Liberal Arts major includes the following major specific goals, enabling students better to “gauge” the world we live in by being able to:

Program Outcome 1: Spiritual Development

The student will develop an understanding of and appreciation for Christianity in terms of its foundations and worldview.

- The student will demonstrate competence in Bible reading.
- The student will demonstrate an understanding of Christian theology.
- The student will demonstrate an ability to describe a Christian understanding of the world and the human condition, in a contemporary and historical context.

Program Outcome 2: Communication

The student will demonstrate the ability to communicate effectively.

- The student will demonstrate the ability to write clearly and cogently, using correct grammar and the appropriate reference or citation style.
- The student will demonstrate the ability to utilize effectively various media (including images, technology, print, etc.) for a variety of purposes and audiences.
- The student will demonstrate the ability to speak to a group intelligently, substantively, and confidently.
- The student will demonstrate the ability to communicate interpersonally.
- The student will demonstrate the ability to work collaboratively with others.

Program Outcome 3: Problem Solving

The student will demonstrate the ability to think rationally and critically, to analyze and to research a problem, and to propose potential solutions.

- The student will demonstrate the ability to identify a problem and to restate it clearly and succinctly.
- The student will demonstrate the ability to frame a problem within a particular academic discipline, including, but not limited to, History, Literature, Mathematics, Computer Science, Philosophy, Political Science, Psychology, and Science.
- The student will demonstrate the ability to analyze a problem and to conduct research leading to information regarding the background of the problem and potential solutions to it.
- The student will demonstrate the ability to propose and select solution strategies, which may include, but are not limited to, logical/rational, numeric, and/or scientific.
- The student will demonstrate the ability to evaluate potential solutions and to propose his/her own solutions.

Program Outcome 4: Physical Development (Wellness)

The student will develop an understanding of and appreciation for their God-given bodies and physical abilities.

- The student will develop and train his/her motor skills, both gross and fine.
- The student will demonstrate his/her physical abilities.
- The student will demonstrate an understanding of human health and knowledge of what constitutes wellness.
- The student will demonstrate the ability to use various forms of physical activity for fitness, stress reduction, and recreation.

Program Outcome 5: Aesthetic Sensibility

The student will develop an individual perception of beauty through experience, reflection and expression in and by means of various media.

- The student will demonstrate knowledge of the formal elements of a work of art or piece of literature or music (i.e., plot, character, dialogue, line, color, shape, texture, dynamics, etc.)
- The student will be able to identify and to describe the messages, moods, tones, voices, and contents communicated by a work of art or piece of literature or music.
- The student will demonstrate the ability to describe the worldview that a work of art or piece of literature or music reflects, by identifying its characteristics of time and place, political or social setting, and literary or cultural convention. Major worldviews constitute Ancient, Classical, Medieval, Early Modern, Modern and Contemporary.
- The student will demonstrate knowledge of the differences between long-term greatness and popular success, critical success, artistic success, personal expression, and private satisfaction.

Program Outcome 6: Global Citizenship

The student will demonstrate an understanding of what constitutes citizenship and how various societies have organized and identified themselves across time and space.

- The student will demonstrate an understanding of the terms, concepts and histories that explain political and economic systems in the United States and abroad.
- The student will develop cultural understanding, which constitutes an awareness and appreciation of, and sensitivity toward, the similarities and differences of individuals, groups, and societies - past, present and future.
- The student will demonstrate the ability to apply cultural understanding to fulfill and appreciate their duties, obligations, and functions as Christian citizens in a complex nation and world.

ELECTIVES 10 credits

Major: Theological Studies

God reveals himself through his Word and, to a lesser degree, through his world. The Theological Studies Major examines the Bible, God's revealed Word, in broad introductory overviews of the Holy Scriptures (isagogics) as well as in close reading of a particular biblical book (exegetical studies). The major also studies God's providence in history. In addition, students receive practical training in the application of their studies in ministry to others. The Theological Studies Major offers some students the opportunity for a vocation in church, either as a primary or secondary calling.

Through participation in, and upon completion of, the Theological Studies Major at Concordia University Wisconsin, students will:

- Have a greater understanding of God's Word, the Holy Scriptures
- Appreciate the value of sound Christian doctrine based squarely on the Bible
- Develop a heightened awareness of God's working throughout history
- Grow in their relationship with Christ and put his teachings into practice in their vocations
- Employ various methods of delivering and defending biblical truth in a relevant and practical way to diverse groups
- Demonstrate an understanding of research skills

Students who complete this major and wish to become certified as LCMS lay ministers should apply to the Lay Ministry TEE Certification Program. They may get application forms from the Lay Ministry office at ellen.leslie@cuw.edu or at 262-243-4343. Applicants must be of good moral character and must meet other qualifications specified by the program. They will also need to complete the remaining courses in the Theological Education by Extension (TEE) program (see the CUW Undergraduate Academic Catalog). These courses are or will be available through extension sites, by e-learning, or by correspondence courses.

MASTER'S DEGREE PROGRAMS

Master of Business Administration

The Master of Business Administration (MBA) Program is based upon the University's stated mission of developing in students the "professional competencies and commitment required for responsible participation and leadership in a complex society." The MBA program is accredited by the International Assembly for Collegiate Business Education (IACBE).

Concordia University Wisconsin's MBA Program is designed to prepare men and women to meet the challenges of a changing administrative environment. The program is designed to provide the opportunity of a professional education for the working student. The curriculum provides the broad base of knowledge needed by middle and upper level managers. While the MBA program is designed for those in business professions, it is readily adapted to meet the needs of students from engineering, health, non-profit, religious, and other fields.

The MBA degree requires 39 semester hours of credit comprising 13 courses. No thesis is required for this degree. Students ordinarily take one course at a time. This allows the program to accommodate a student's professional and personal schedule to the maximum degree possible. The capstone course, MBA 590, must be taken at the end of the degree program. Students must complete all requirements for the MBA degree within five (5) years of entry.

Our flexible program gives you the choice of pursuing your MBA in accelerated eight week classroom courses or through E-Learning where you have up to 12 weeks to complete a course.

You are given the flexibility to design your MBA program. With our guidance you decide the course load and courses you wish to take.

STUDENT LEARNING OUTCOMES

- Articulate a response to ethical situations which recognizes responsibility beyond the law from a Christian perspective
- Demonstrate proficiency in written and oral business professional communication including proper grammar, organization, presentation, and use of sources
- Solve diverse and ill-structured problems using higher order thinking and analysis
- Develop a global view of business beyond the American business mindset
- Use quantitative skills to evaluate problems faced by the businessperson
- Concentration: demonstrate specialized knowledge in their area of concentration
- Demonstrate ability to engage in teamwork at a professional level of competence

THE MBA CORE

In keeping with the purpose of a MBA, our curriculum is designed to provide the student with a broad spectrum of the business scene. To this end, the courses provide advanced instruction in many areas of business. The utilization of a concentration allows the student at the same time to develop an area of expertise. The MBA program consists of 39 credits which include eight core courses and five courses in the concentration area. The MBA program has six prerequisite courses. These prerequisite courses are not required prior to starting the program but must be taken prior to the corresponding MBA course. These prerequisites are Accounting, Finance, Management, Marketing, Economics, and Statistics.

MBA COURSE DESCRIPTIONS

MBA 500 / 800 MANAGERIAL ECONOMICS

provides a clear and balanced presentation of relevant economic theories and instruments. The focus of this course will be on the application of these relevant theories and the tools of analysis of decision-making science to examine how a firm makes optimal managerial decisions in the face of the constraints it faces. It will teach students how to deal with the nature of the firm, and how and why it is organized the way it is, in order to make students better, more efficient and more highly rewarded executives. The course should be thought of as applied economics, emphasizing those topics of the greatest interest and importance to managers. These topics include demand, production, cost, pricing, market structure and government regulations. A strong grasp of the principles that govern economic behavior is an important managerial asset. Students will learn how to apply these principles in appropriate situations. 3 credits

MBA 510 APPLIED STATISTICAL METHODS

studies statistical methods used in business decision-making, including the use of both descriptive and inferential techniques, probability, regression, and research study designs. Application and integration of statistical methods in business-related fields is emphasized along with the use of computer analysis. 3 credits

MBA 815 STATISTICAL RESEARCH

is designed to prepare graduate students to write scholarly research papers in their field of study. The four-unit course is designed for students who have limited or no background in research principles, statistics, and research methodology. The final project in the course is a 10-to-12-page research paper written by the student on a topic approved by the student's graduate department. 3 credits

MBA 520 / 820 INFORMATION SYSTEMS AND TECHNOLOGY

concerns managing the use of technology, emphasizing computer systems, in providing the information systems that effectively support organizations and allow them to meet their goals. Fundamental concepts of information systems and their underlying technology are presented in the framework of tools for personal and managerial problem solving. Foundational information systems concepts, along with terminology, ethical issues, application and hands-on system use are explored. Additional topics include system capabilities, system abilities, and the role of intelligence in information systems. Coursework combines assignments that directly apply concepts from the textbook reading along with projects that allow students to extend their learning and apply it to practical applications. Prerequisite: Admission to the program. 3 credits

MBA 521 / 821 INFORMATION SYSTEMS THEORY AND PRACTICE

provides an understanding of organizational information systems, planning and decision processes, and how information is used for decision support in organizations. This course covers quality and decision theory, information theory, and practice essential for providing viable information to the organization. MBA 521 outlines the concepts of informational technology for competitive advantage, data as a resource, information systems and informational technology planning, total quality management and reengineering, project management and development of systems, and end-user computing. 3 credits

MBA 522 / 822 BUSINESS DATA COMMUNICATIONS

presents the fundamentals of data communications including communication media and equipment, protocols, network architectures, network hardware, and network software. The Internet is discussed in detail and used extensively in the course as a source of a variety of information pertinent to the content of the course. Network management objectives and techniques are presented and network security is discussed. 3 credits

MBA 524 / 824 SYSTEMS ANALYSIS AND DESIGN

presents a short overview of information systems followed by a comprehensive treatment of modern techniques of systems analysis and design. Each of the five steps in the Systems Design Life Cycle (SDLC) is discussed in detail. A variety of case studies are considered and tools for systems analysis and design are presented. Extensive use is made of pertinent web sites. 3 credits

MBA 526 / 826 DECISION SUPPORT SYSTEMS

covers the processes used in making creative decisions and effectively solving problems. An extensive coverage of decision-making theory is presented. A strong emphasis is placed on application and use of decision support systems (DSS). Several mini-cases are treated in detail. Topics covered include data mining, data warehousing architectures and technologies, expert systems, artificial intelligence systems, and executive information systems. 3 credits

MBA 527 / 827 PROJECT MANAGEMENT

presents project management from a practical point of view. The course focuses on the technical aspects of project management that are directly related to practice. Numerous case studies are considered to help explain how to apply proven project management tools and techniques at each stage in a project's life-cycle. Software tools for project design and management are also presented and used. 3 credits

MBA 528 / 828 INFORMATION SYSTEMS MANAGEMENT

deals with the management of information technology (IT) as it is being practiced in organizations today. Topics covered include leadership issues as they apply to information systems (IS) management, the managing of the technologies currently in use, and managing systems development and implementation. Teacher Certification Program – Elementary & Secondary

Concordia University Wisconsin offers an accelerated, graduate Teacher Certification Program for students who wish to be certified to teach in Grades 1-8 (Middle Childhood through Early Adolescence) or in Grades 6-12 (Early Adolescence-Adolescence). Individuals interested in these programs must already have a Bachelor's degree from an accredited university, and meet program entrance requirements. Once students complete the licensing portion of the program, they may take additional graduate credits to complete the master's degree in Curriculum and Instruction.

PROGRAM HIGHLIGHTS

1. GTCP-E and GTCP-S cohorts begin once each year. Check with the specific campus you want to attend to confirm start dates. Cohorts run given an adequate number of qualified accepted applicants. Applications are accepted on a rolling basis.
2. GTCP-E classes meet once a week for four hours in the evenings (example: 4:30-8:30 p.m.) and on five Saturdays from 9 a.m. to 5 p.m. The 22-month program also includes a semester of full-time student teaching.
3. GTCP-S classes meet once a week for four hours in the evenings (example: 4:30-8:30 p.m.) and on one Saturday from 9 am to 5 p.m. The 18-month program also includes a semester of full-time student teaching.
4. GTCP-S (E Learning) courses are offered in a blended format with 75% of coursework taking place online, and 25% in a face-to-face setting. The face-to-face classes take place on Saturdays. This program option is 24-months long.
5. Students must have a Bachelor's degree with a cumulative GPA of a 2.75 or higher, as well as a 2.75 GPA in all certification areas which the student is seeking licensure. Students must have an official transcript evaluation conducted by CUW staff to determine if all secondary core requirements have been met.

CUW STANDARDS FOR TEACHER DEVELOPMENT

- Subject Matter Competency: The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and can create learning experiences that make these aspects of the subject matter meaningful for the students
- Student Growth and Development: The teacher understands how children learn and develop, and can provide learning opportunities that support their intellectual, social, and personal development.
- Knowledge of Diverse Learners: The teacher understands how students differ in approaches to learning and creates instructional opportunities that are adapted to diverse learners.
- Instructional Strategies: The teacher understands and uses a variety of instructional strategies to encourage students' development of critical thinking, problem solving, and performance skills.
- Classroom Management: The teacher uses an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.
- Communication Techniques/Technology: The teacher uses knowledge of effective verbal, nonverbal, and media communication techniques to foster active inquiry, collaboration, and supportive interaction in the classroom.
- Instructional Planning: The teacher plans instruction based upon knowledge of subject matter, students, the community, and curriculum goals.
- Assessment Strategies: The teacher understands and uses formal and informal assessment strategies to evaluate and ensure the continuous intellectual, social, and physical development of the learners.
- Reflective Practitioner: The teacher is a reflective practitioner who continually evaluates the effects of his/her choices and actions on others (students, parents, and other professionals in the learning community) and who actively seeks out opportunities to grow professionally.
- Positive Relationships: The teacher fosters relationships with school colleagues, parents, and agencies in the larger community to support students' learning and well-being.
- Character-Faith Development: The educational professional models Christian servant leadership through consistent, moral and ethical behaviors and, by example, inspires others to do likewise in their personal, professional and community life.

PROGRAM SPECIFICATIONS

- Praxis Tests: Students must pass the Praxis I exam prior to admission and the Praxis II exam prior to student teaching.
- Clinical Hours: Seventy clinical hours are aligned and completed concurrently with program coursework prior to student teaching. Observation reflections are due at the end of each class.
- Practicum: Students will complete a supervised Practicum prior to student teaching.

MASTER'S DEGREE ELIGIBILITY

- Only for students who have successfully completed CUW's Graduate Teacher Certification Program (TCP, ACE, OR GTCP program)
- A cumulative GPA of 3.0 or above in CUW certification courses is required.
- The Master's Degree in Curriculum & Instruction is earned with 9 additional graduate credits in specified Graduate Education courses. Student's must take EDG 587 Assessment for Learning and then will choose 6 other credits from the list of approved courses.

Masters of Science in Education – Educational Administration

The administrative concentration is designed to equip teachers for administrative responsibility and to assist present administrators in developing organizational and leadership skills. The program is designed to help the student acquire the necessary skills in decision-making, human resource management, teacher evaluation, and public relations. The administrative concentration in the Master of Science in Education provides the opportunity for the applicant to receive a Wisconsin State Administrative license through the Department of Public Instruction. The Wisconsin license (#51) is limited to elementary and high school building principals. Applicants are encouraged to check with the Wisconsin Department of Public Instruction (DPI) for further details about additional requirements to be eligible for the principal's license in Wisconsin. Applicants desiring a principal's license for another state should consult with their state's licensing requirements.

EDG 501 / 801 ISSUES IN AMERICAN EDUCATION

studies the role of the schools in American society, looks at the historical context of educational development, surveys the theories of important educators, and considers current educational issues. 3 credits

EDG 507 / 807 CURRICULUM DEVELOPMENT

considers the factors that influence design, implementation, and evaluation of curriculum. Emphasis will be placed on major educational philosophies and their respective approaches to curriculum development. This course is required for the Curriculum and Instruction, Education Administration, and Reading programs and has no prerequisites. 3 credits

EDG 509 / 809 INTEGRATING LEARNING SKILLS ACROSS THE CURRICULUM

focuses on the transfer of beginning reading skills to content areas and on higher level comprehension and study skills. 3 credits

EDG 515 / 815 RESEARCH METHODS

examines the research tools available to design, implement and evaluate the formal study of the educational process in order to conduct research. The course includes the study of descriptive and experimental research methods, basic statistical methods as well as techniques of literature review and report writing, that is, the reporting of research. Students completing this course should have a draft of the first three chapters for either a thesis or graduate seminar project. 3 credits

EDG 521 / 821 HUMAN LEARNING AND MOTIVATION

examines the nature of contrasting theories of learning. Emphasis will be placed on major contemporary learning theories and their respective approaches to motivation. The primary objective is to provide in-service graduate students, as well as other school personnel, with a comprehensive picture of current major educational learning theories and issues and to develop their implication for the teaching process. 3 credits

EDG 528 / 828 INSTRUCTIONAL STRATEGIES FOR EFFECTIVE TEACHING

focuses on expanding one's personal repertoire of effective instructional strategies utilizing Howard Gardner's Theory of Multiple Intelligences (1983, 1999) as the philosophical foundation. This course will provide for practical application while still requiring a critical analysis of Gardner's worldview as well as one's own. The course design is constructivist, and largely grounded in the concept of experiential learning as defined by Johnson and Johnson (1975, 1994). 3 credits

EDG 531 / 831 PRINCIPLES OF EDUCATIONAL ADMINISTRATION

is a foundations course in educational administration and organization. Major topics include principles, concepts and issues in administration, organizing for education and administering the school program. Case studies will be emphasized. 3 credits

EDG 533 / 833 LEADERSHIP FOR CHANGE IN EDUCATION

explores the process of change in the world of education. The course provides an overview of the sources, processes, and outcomes of change and the implications for dealing with change. The role of governments, teacher and administrator preparation, and professional development and the future of educational change are also reviewed. 3 credits

EDG 535 / 835 LEGAL AND ETHICAL ISSUES IN EDUCATIONAL ADMINISTRATION

addresses the authority and liability of school personnel operating in both private and public educational institutions. Court decisions affecting curriculum, instruction, administration, and student and teacher rights are emphasized. The law as it relates to education is presented within the context of the Christian moral and ethical behavior of students, teachers, and administrators. Prerequisite: EDG 531/831. 3 credits

EDG 536 / 836 EDUCATIONAL GOVERNANCE AND ADMINISTRATION

studies the organizational structure and administrative relationships in school systems. The course presents an overview of the school system, emphasizing the legal, political and social forces affecting local school systems. 3 credits

EDG 537 / 837 SUPERVISION OF INSTRUCTION

provides the student with orientation to the field of instructional supervision. The course focuses on the nature of instructional supervision with an emphasis on the human perspectives of supervisory behavior. 3 credits

EDG 539 / 839 PRACTICUM IN EDUCATIONAL ADMINISTRATION

provides opportunities for aspiring or practicing administrators to relate educational administrative theory to the applied administrative profession at the elementary, middle or secondary level. Students are required to complete a practicum experience within the school setting under the supervision of the practicum instructor from Concordia University and a licensed administrator in the school district. The practicum experience is designed by the university instructor and the student in cooperation with the school administrator. 3 credits

EDG 541 / 841 BUSINESS ADMINISTRATION OF SCHOOLS

provides a theoretical and practical background in school business administration for teachers, principals, and others pursuing careers in both the public and private schools in Wisconsin. The course develops a rationale for the function of school business administration and describes the concepts and practices that implement that function. 3 credits

EDG 544 / 844 CURRENT TOPICS AND RESEARCH IN READING

examines current topics and issues in reading instruction through study of journals, periodicals, recent publications and qualitative research methods. Content varies as the reading literature is updated. However, this course may be taken only once toward a #316 certification. Prerequisites: Six credits of reading and permission of instructor. 3 credits

EDG 552/852 IMPROVING THE TEACHING OF READING

concentrates on the methodologies in reading instruction and the role of the reading teacher in education. 3 credits

EDG 553 READING ASSESSMENT AND INSTRUCTION

examines the design, development, implementation, and evaluation of kindergarten through grade 12 reading programs and their interrelationships with other language arts instruction and other curricular areas. Prerequisites: EDG 552; EDG 556; one other reading course; permission of instructor. 3 credits

EDG 554 PRACTICUM IN READING

is the culmination of the reading curriculum for DPI #316 certification. Teachers work with elementary, middle and secondary level students with a variety of abilities in one-to-one and small group contexts. Prerequisites: EDG 552; EDG 553; one other reading course; permission of instructor. 3 credits

EDG 556 / 856 LANGUAGE ARTS FOR TEACHING READING

studies the English language, including English phonology and how children's language develops from childhood through adolescence and examines interrelationships of speaking, listening, writing, and reading. 3 credits

EDG 569 FAMILIES AND SCHOOLS TOGETHER

studies the family as it relates to contemporary legal and social issues facing our schools. The roles confronting parents, teachers, and students in a variety of school settings will be discussed and examined. Historical, theoretical, and philosophical frameworks of parent involvement in education will be studied in order to allow educators to consider ways of improving and building home/school partnerships to better meet the educational needs of all children. 3 credits

EDG 576 / 876 LITERATURE FOR CHILDREN : K-12

presents a wide selection of primary readings for students from kindergarten through the twelfth grade, criteria for selecting texts, practical methods for engaging the students' interest in books, and tools for curriculum development and integration. The course emphasizes the historical background and foundations of the literature. 3 credits

EDG 590 / 890 THESIS COMPLETION SEMINAR

provides an advisory structure for writing the master's thesis for the degree. The seminar is normally taken near the end of the coursework for the degree. The student defends the thesis at the end of the course. 3 credits

EDG 595 / 895 GRADUATE CAPSTONE PROJECT

provides an opportunity to examine a range of problems in school administration, curriculum, planning, organizing and evaluating. The seminar focuses on student projects and problems related his or her professional development. 3 credits

EDG 596 INTERNSHIP IN EDUCATION -READING

provides opportunities for each aspiring reading specialist to relate reading and administrative theory to the applied professional understanding of the position of reading specialist. 3 credits

EDG 627 / 927 PORTFOLIO I

is the first step in the required assessment process for the Masters in Education degree. Students complete the initial setup of their portfolio and develop rationales for each standard in their program. 0 credits.

EDG 628 / 928 PORTFOLIO II

is the second step in the required assessment process for the Masters in Education degree. Students insert one artifact for each standard into their portfolio. 0 credits.

EDG 629 / 929 PORTFOLIO III

is the third step in the required assessment process for the Masters in Education degree. Students insert at least two and no more than three additional artifacts for each standard into their portfolio. 0 credits

EDG 632 / 932 EDUCATING STUDENTS AT RISK

This course intends to help identify students in a K-12 setting who are or have the potential to be at risk academically, behaviorally or socially. The course also intends to help develop attitudes, skills and techniques to be effective teachers of the at-risk student. Response to Intervention (RtI) will be discussed. The course will look at social, personal, cultural and community dynamics in relation to the education of students who are at risk. 3 credits

EDG 633 / 933 ALTERNATIVE EDUCATION

This course studies the nature of the alternative education K-12 program in the public schools. The various delivery systems and the role of the teacher in each system will be addressed. Alternative education, as a part of a community process, will be discussed. Discussion will range from early intervention to "last chance" programs. 3 credit hours

EDG 649 PROFESSIONAL LEARNING COMMUNITIES

provides students with greater competency in developing skills connected to communication, problem solving, data analysis and assessment within groups, teams, and learning communities. The focus of the course is upon case studies and practices associated with PLCs. 3 credits.

EDG 745 / 845 THE PRINCIPALSHIP

focuses on the nature of instructional leadership and the role of the principal. The course will provide the student an orientation to the responsibilities and tasks of the principal. 3 credits
