Concordia for now; CONCORDIA FOR LIFE
Concordia University Wisconsin offers a welcoming campus community where everyone is known—yes, you are never just a number in a classroom—and has endless ways to get involved and be included. You can choose from tons of sports, clubs, programs, and classes to help you spread your wings, select a career path, make lifelong friendships, and have unforgettable experiences! We help to prepare students for more than just the next four years. Concordians graduate fully prepared to live an uncommon life of purpose and service giving back to Christ, the Church, and the world. Come see for yourself.

MIND

All colleges are invested in expanding your knowledge. At Concordia, we aim to open your mind and heart to new concepts, ideas, and solutions. You’ll be challenged in the classroom and encouraged to try new things, interact with different people, and pursue uncommon opportunities throughout campus. Don’t worry! You won’t do any of this alone. You will receive the guidance you need to grow as a person and become the person you were uniquely created to be.

EIGHTY-FOUR CHOICES - uncommon POSSIBILITIES

Beyond the Game

Athletes are a big part of our uncommon way of life, and cheering on our Falcons is a favorite campus pastime. Whether you compete on the field or plant your face blue on game day in support, you’ll feel a difference among our student athletes and a higher purpose in the level of competition. All Falcons are holistically prepared—in mind, body, and spirit—by coaches who are mission-driven. At the core, athletes attend chapel and spend devotion time together to be prepared for life, service, and leadership, not just the next game.

BODY

It’s easy to be a healthy lifestyle of Concordia. With over 20 varsity athletic programs and much more intramurals and athletics, a majority of our students take pride in being active and competitive. If you’re looking beyond organized sports, our beautiful campus on Lake Michigan, complete with state-of-the-art facilities, new fields, and our own sandy beach, inspires deeper breaths, longer walks, and lingering conversations over unforgettable冲utures.

SPIRIT

We’re not just about living for ourselves. Our vibrant Christian community is united in faith and put into action to serve to God, His Church, and the world. Your opportunities to strengthen your faith with Jesus are not limited to worship, we are involved, and guided as in the classroom, on the fields, throughout the halls, and within our hearts. A thriving presence in our busy campus lives can only be described as uncommon.

FIND others INTERESTED IN YOUR INTERESTS

A Concordia experience would not be complete without the extracurricular—athletics, clubs and student organizations, events and activities, concerts, theater performances, service opportunities—the list goes on. Explore all the ways you can get plugged in: cuw.edu/life

Our Campus Ministry group gives students ways to live out and strengthen their faith on a weekly basis. Concordia offers daily chapel opportunities, our Haven contemporary devotional, Sunday worship service, Bible studies and many more ways to come together to share His word in celebratory rejoicing! Beyond campus, Concordians give back locally through service to congregations and organizations in need, and throughout the world by participating in life-changing mission experiences.

As your home-away-from-home, we offer several different housing options from singles to quads and suites in eight different residence halls so you will, no doubt, be comfortable. Outside of your residence hall, there’s a world of things to do and people to meet on campus, even those who live in nearby Sheboygan. Check out our res halls at: cuw.edu/res-halls

Can’t quite decide? Our Concord Promise is here to assist students in finding their individual calling. Students work closely with their Academic Advisor and Career Advisor through phases of discovery—self exploration, major exploration, and within our hearts. His living presence in our busy campus lives can only be described as uncommon.
See YOURSELF HERE

Concordia hosts visit days and immersive events so that you can actually picture yourself as a student and experience life on campus. Meet your future professors and coaches. Stay overnight in one of our residence halls with current students. Sit in on classes. Live the life of a Falcon for a day and see why Concordia is the perfect choice.

Come for one of our immersive visit experiences, hosted by our amazing admission team throughout the year:

- Student Visit Days
- Admate Visit Days
- Lutheran High School Visit Day
- Junior Days
- Admitted Student Day
- Personalized Visits

Or join us for a personalized visit, Falcon Fridays, Saturdays at Concordia, or a virtual tour.

For a full list of visit options, or to register for an event, check out CUW.EDU/VISIT.

Just can’t wait to be a part of what’s happening on campus?
